

WORK EXPERIENCE

The Wall Street Journal Graphics Intern

Scraped and analyzed data, built interactives and designed graphics for The Journal's Business & Finance section in both print and online, including graphics for front-page stories on both platforms.

New York, NY
June-Aug. 2019

The Guardian Visuals Intern

Covered the 2018 midterm elections for the Guardian, building parts of the election backend and results page. Later produced post-election analyses and visual stories, then freelanced for the paper in 2019-20.

London, UK
Sept-Dec. 2018

NBC Multimedia Journalism Intern

Produced videos, graphics and interactives for NBC's national newsroom, creating reusable digital tools and new reader experiences across 15 owned-and-operated local websites.

New York, NY
June-Aug. 2018

The Delta Center Media Intern

Helped run the Delta Center's "Most Southern Place on Earth" teacher-training workshops by coordinating logistics, taking photos and video, producing multimedia stories and designing printed marketing.

Cleveland, MS
June-Aug. 2017

CustomInk Software Engineering Intern, eCommerce

Entirely rebuilt the internal inventory management website, improving load times and reliability of the system using MySQL, MongoDB, Ruby on Rails and Javascript.

Fairfax, VA
June-Aug. 2016

PORTFOLIO

Visualizing Data Beyond Flatland Research, Design

Completed an honors thesis studying the user experience of augmented reality data visualizations, designing my own AR graphics and conducting user tests to create guidelines for future design.

Reese Innovation Lab
April 2020

To Rock the Charts in 2019, Bands Need a Little Help Data, Interactive

Contributed to this story showing how bands are gaming the Billboard album charts, by scraping data, building an interactive and designing a full-width graphic for print.

The Wall Street Journal
August 2019

Gun violence has sharply declined in the Bay Area. What happened? Interactive

Led design, development and data visualization for the first story in The Guardian's series about gun violence in the San Francisco Bay Area.

The Guardian
June 2019

2018 US Midterms: Live Results Interactive, Data

Designed and built portions of The Guardian's elections stack, including backend data parsing, a staging environment, front-end React components, the ticker and post-election graphics analyzing results.

The Guardian
Nov. 2018
